Birds and Nature in the Forest of Dean

The size of some of the signs is amazing - how on earth do people get a 6x10-foot sign from the German autobahn to Watson Lake! While many of the signs, including some wonderful examples of folk art, have obviously been created specially for the Forest, others appear apparently on "long-term loan" to the Yukon!

From the Forest Inc. | Barneveld, NY 13304

The Town of Watson Lake maintains the site, adding more sign posts as they fill up. Bring along a sign to add to the forest, or one at the Visitor Information Centre. While you're there, you'll also come across pieces of equipment that were used during the construction of the Alaska Highway.

A forest of signs: art in the crisis of representation ...

The title of the exhibition refers to "forest" of signs and symbols that define contemporary culture: the flow of images from films, billboards, bus benches, magazines, television and art itself that surround us daily. These images come to represent a new reality in its own right -- a reality that we seek to enter and imitate in our own lives."
