Making The Connections That Count | SME Portal

Making connections that count. All I had to do was go ask someone who knows more about the business than I do. As it happens, LifeNet operates air ambulances out of Bartow Municipal Airport, just down the road from me. A short drive and two very pleasant conversations later, I had a name, a phone number, a location,...

Unusual places to make business connections | Virgin

A warm introduction is the most valuable thing you can offer a client, customer, or colleague -- if it's done correctly. But just because a warm introduction is made doesn't mean the relationship will flourish. With this in mind, we asked 11 entrepreneurs from Young Entrepreneur Council (YEC) what techniques they use for best ensuring a solid, lasting connection. Their best answers are below.

7 Tips for Making Powerful New Connections | Inc.com

Here's a collection of my favorite quotes on making connections. "Creativity is just connecting things. When you ask creative people how they did something, they feel a little guilty because they didn't really do it, they just saw something. It seemed obvious to them after a while. That's because they were able to connect experiences [...]"
